Subject: Excused Absences for July 16, 2024

To whom it may concern,

As members of our Islamic community, we strive to lead an Islamic way of life, which requires self-discipline and cooperation from society at large.

On July 16, 2024, there will be various religious activities scheduled. These activities, including special prayers and religious rites, conflict with the regular workday. As part of our commitment to following an Islamic way of life, we kindly request excused absences for this day.

We appreciate your ongoing cooperation and understanding.

Sincerely,

Mir M. Ali
